

WEST VALLEY CITY, UTAH

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF WEST VALLEY CITY ENCOURAGING FEDERAL ECONOMIC RENEWAL GRANTS TO WEST VALLEY CITY BE SPENT ON PRODUCTS AND SERVICES PRODUCED IN THE UNITED STATES.

WHEREAS, the economic downturn is having a critical impact on everyday Americans who are struggling to maintain or find jobs in an increasingly difficult environment, and

WHEREAS, those same Americans are the taxpayers that provide the revenue needed to operate essential government services, and

WHEREAS, Congress and President Obama are planning a taxpayer-sponsored economic recovery package that will provide billions of dollars to help economically devastated cities, counties, and states immediately provide jobs to millions of out-of-work Americans through considerable infrastructure rebuilding, green energy projects and other projects that will require manufactured components, and

WHEREAS, our taxpayer dollars should be spent to maximize the creation of American jobs and restoring the economic vitality of our communities, and

WHEREAS, any domestically produced products that are purchased with economic recovery plan monies will immediately help struggling American families and will help stabilize our greater economy, and

WHEREAS, upon passage of any economic recovery plan, spending should-to every extent possible-include a commitment from West Valley City to buy materials, goods, and services for projects from companies that are produced within the United States, thus employing the very workers that pay the taxes for the economic recovery plan spending in the first place.

NOW, THEREFORE BE IT RESOLVED, that the City Council of West Valley City will work to maximize the creation of American jobs and restoring economic growth and opportunity by spending economic recovery plan funds on products and services that both create jobs and help keep Americans employed, and

BE IT FURTHER RESOLVED, that the City Council of West Valley City commit to purchasing only products and services that are made or performed in the United States of America whenever and wherever possible with any economic recovery monies provided to West Valley City by the American taxpayers, and

BE IT FINALLY RESOLVED, that as the City Council of West Valley City, we commit to publish any requests to waive these procurement priorities so as to give American workers and producers the opportunity to identify and provide the American products and services that will maximize the success of our nation's economic recovery program.
